São Roque - "A Terra do Vinho e Bonita por Natureza"

OFÍCIO VEREADOR Nº 809/2017

São Roque, 30 de agosto de 2017.

Prezado Senhor,

Venho por meio deste cumprimentá-lo e, na qualidade de Presidente da Comissão de Obras e Serviços Públicos, solicitar os bons ofícios de Vossa Senhoria, junto ao setor competente, **no sentido de fiscalizar se as guias e sarjetas, no trecho que está sendo reconstruído na Avenida Antonino Dias Bastos, foram implantadas alinhadas e niveladas corretamente.**

Justifico o presente pedido em razão de ter recebido reclamação de munícipe informando que as citadas guias e sarjetas estariam sendo implantadas sem o alinhamento ou o nivelamento adequados. **Anexo fotos.**

Na certeza de que dispensará especial atenção a este Ofício, desde já agradeço, renovando meus mais sinceros protestos de elevada estima e de distinta consideração.

Atenciosamente,

ETELVINO NOGUEIRA
Vereador

(Presidente da Comissão Permanente de Obras e Serviços Públicos)

Ao

Ilustríssimo Senhor

CLAUDINEI ROSA

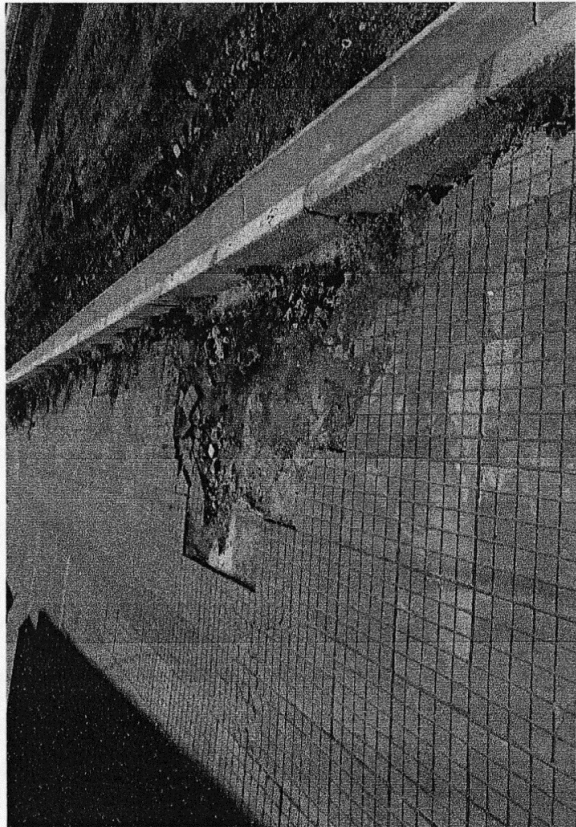

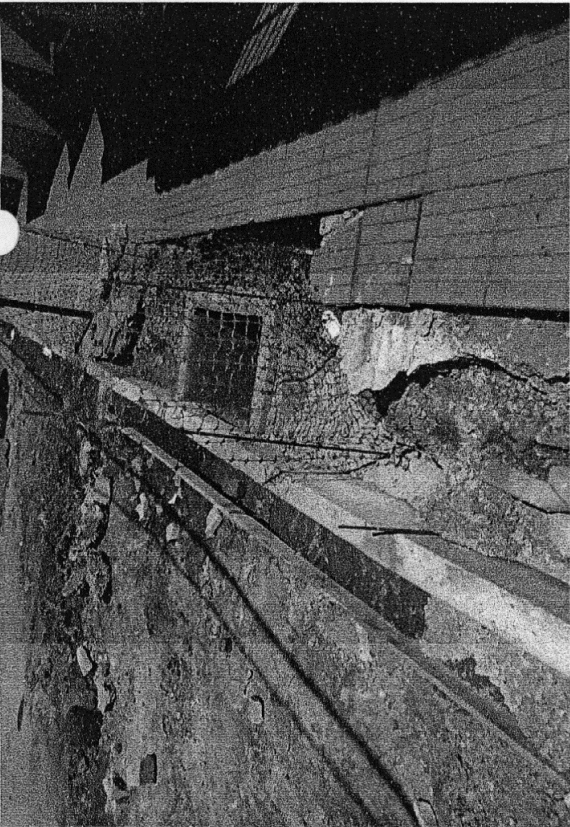

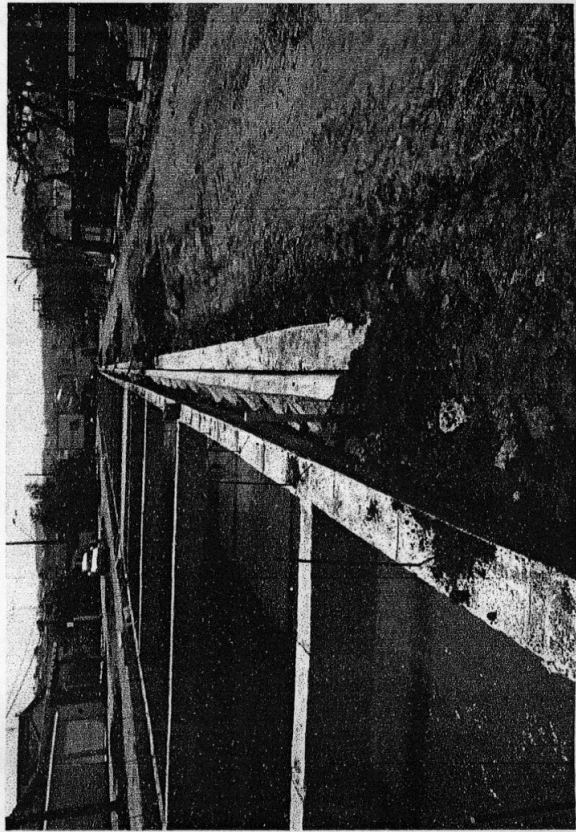

MD. Diretor do Departamento de Planejamento da Prefeitura de São Roque – SP
